11th February	Best Start Yr 7	21st February	Year 7 Vaccinations
12th February	Best Start Yr 7	22nd February	UNI Roadshow MHS

Nambucca Valley Junior Citizen of the Year

Congratulations to Year 12 student, Jack Sullivan, who was named 'Junior Citizen of the Year' in the Nambucca Valley Australia Day Awards.

Jack was described by the Australia Day Committee as 'a truly outstanding young man who helps everyone in the community. He also goes above and beyond to support his peers and the staff at School'.

PRINCIPAL'S MESSAGE

Welcome Back. It is pleasing to see all the smiling faces in school uniform ready to start the new year of education. Last year the NSW Department of Education released the five year Strategic Plan with the vision 'To be Australia's best education system and one of the best in the world'. As part of the NSW Department of Education our school is fully committed to this plan. I would like to pick up on Goal 5 of the plan to start the year, namely 'Every student is engaged and challenged to continue to learn.' Student engagement is a complex topic, it is not as simple as providing 'fun' things for them to do. Young people as they develop and grow need to be stimulated and challenged. Research is clear that when children and young people feel safe and protected they are more likely to engage with school and feel success in learning. My staff are fully committed to provide a safe and supportive learning environment where all students are known, valued and cared for.

During Term 1 our PBL focus is 'Ready to Learn'. Some of the suggestions that have come from students include: Being on time
Getting enough sleep
Having breakfast
Drinking water throughout the day
Having the equipment I need including pens, rulers, calculators, ...
Active listening

As students move through school they will be given more responsibility for their own learning. In high school students may need to develop organisational skills. This might include a diary or planner, a schedule of assessment tasks and for some students a plan to manage part time work and study. 'Home learning' as opposed to 'homework' is a concept of allowing the developing mind to reinforce key concepts which have been introduced during the day. Home learning helps the student to become an independent learner and critical thinker. You can help your child by providing a space for them to reflect or study and ask them questions about their day.

My hint, instead of asking 'what did you do at school today?' because the answer will probably be 'nothing'. Ask 'what is one new thing that you learnt today that you didn't know this morning', if they cannot think of anything they might need some time to reflect before they respond.

It shouldn't be all about work; we want you to enjoy a healthy balance between school life and leisure time. It's important that you organise your time carefully so that as well as making time for home learning, you are also able to enjoy other activities that take place after school.

If you are travelling to school – by car, bicycle, bus or on foot - plan your route in advance to make sure that you will always arrive at school on time. If you are five minutes late to school each day you will miss a whole term of learning by the time you finish Year 12!

Finally welcome to the new staff joining our team this year. We have Mr Grant Watson in Mathematics, Ms Emily King in Art and Ms Kahlia Fletcher in our Stage 2 Primary class. Welcome to the Bowra team!

Best Regards, Dave Taylor

Term 1 - PBL Focus
Year 7 "Ready to Learn"

SCHOOL NEWS

A New Year at Bowraville Central School

Community Liaison Officer

Hello everyone, my name is Megan Cochrane and for more than 20 years I've worked at Bowraville Central School, mainly in the Administration area. This year I've taken on the role of Community Liaison Officer (CLO). This will involve publicity work (i.e. letting the local and broader community know about all the wonderful things students experience at BCS) as well as engaging with the community to improve communication and parent/carer involvement. I am also hoping to work with a number of outside agencies in order to develop partnerships that will benefit all.

I have seen a lot of changes over the years at BCS but the thing that remains constant is the dedication of all staff at this unique little school. At times parent/carers can be a little daunted communicating and dealing with their child's school. I am hoping to help dissolve that barrier so that our school becomes a true community where all interested parties feel valued and are able to contribute to the best education possible for their children. I am looking forward to a busy, productive year and please feel free to contact me any time by phoning the school office on 65647162 or emailing me at megan.bryce@det.nsw.edu.au

2019 BOWRAVILLE SCHOOL FARM NEWS

NEW TRACTOR

Bowraville Central's School farm has just received its newest asset, a shiny orange 32hp Kubota tractor. The tractor has been long awaited and Agriculture Teacher Lori Wilson & Ag Assistant Sharon Atkins were happy to meet the truck and take possession of the keys in the school holidays.

2019 will see the introduction of Mandatory Agriculture and Food units in all NSW schools and Lori believes that Bowraville Central School has the best Ag facilities in the Valley. The purchase of this new tractor will see students from Year 9 learning how to correctly and safely drive the tractor with both the slasher and tiller implements. The new tractor will give students the opportunity to grow new crops as well as maintain the farm throughout the year.

BEES & HONEY PRODUCTION

Exciting news over the school holidays our school farm introduced its first Beehives. The beehives are integral part of our honey unit for Mandatory Technology in Year 8 and will supplement a learning task for Year 9/10 Agriculture as well. Please ensure you have signed the permission note regarding the bees and given your child's medical status regarding beestings.

Keep your eyes on the school newsletter as we hope to have honey available soon to purchase.

CATTLE CLUB

Students in Year 7-12 are encouraged to join the Cattle Club which meets afterschool on a Monday afternoon from 3.45pm to 5.30pm during Terms 1, 3 and 4. Cattle Club students have the opportunity to attend local Agriculture shows as well as Youth Training Camps. We are also hoping to start showing some poultry at our local shows and this activity could also be tied into our Monday afternoon session at the farm if we had some keen students.

EXTRA CURRICULAR ACTIVITIES

I often get emails that offer students exciting opportunities within the Ag sector, these opportunities will be passed onto students as soon as I receive them. Last year we had students attend RYAG Sheep as well as nominate for RYAG Dairy & RYAG Crops & Cereals (which were unfortunately both cancelled due to low numbers and drought).

THE YEAR AHEAD

We are hoping to finish the year with a 'Paddock 2 Plate' showcase event in November. Year 9/10 Students will plan, organise, grow and prepare the food for the event. This event was the highlight of last year and we hope this can become an annual event at our farm.

Bowraville Central School Swimming Carnival

Thursday 14 February 2019

All Parents and Carers

Welcome

Buckling up on School Buses

Some school buses will look different now with the introduction of seat belts into Busways' fleet

By law, passengers in a seat belt-fitted vehicle must wear the seat belt. If your seat has a seat belt, you need to buckle up the way you do while travelling in a car.

Each seat will have three seat belts so you get to share the seat with one or two of your friends! It's important that you clip in your seat belt without having to be asked by the bus driver as they need to focus on driving the vehicle safely.

By law, you won't be able to stand on the bus once yours has seat belts – you must sit in a seat and wear your seat belt correctly. Don't forget to 'click clack'.

Parents - It would be a great assistance if you can help by talking to your children about wearing their seat belts on the bus without waiting to be asked. It is just like getting in the car — if there is a seat belt on their seat, they need to buckle up.

Best Start Year 7 Assessment 2019

Information for parents and carers

Dear Parents and Carers

Best Start Year 7 is a new online assessment for students that helps provide information for teachers on the literacy and numeracy skills of students at the beginning of Year 7.

The Best Start Year 7 will take place at our school in Term 1, 2019.

The assessment, covers key literacy and numeracy skills that are important to a student's success in all subjects in high school. Students come to high school with a range of experiences, skills and abilities in literacy and numeracy. It is important that teachers have current information about their students so that they can plan programs and lessons that best support the learning needs of every student.

The Best Start Year 7 Assessment will be completed at school during class time.

No preparation is needed for this assessment. Its purpose is to provide our teachers with additional information to best support the teaching of your child.

Please contact the school if you have any questions regarding the Best Start Year 7 assessment.

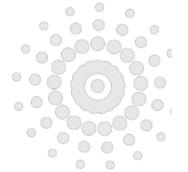

Telephone Interpreter Service

If you need an interpreter to assist you to contact the school, please call the Telephone Interpreter Service on **13 14 50** and ask for an interpreter in your language. The interpreter will call the school and will stay on the line to assist with the conversation. You will not be charged for this service.

David Taylor

Principal

Please Note: Bowraville Central School will hold their Best Start 7 testing on Monday the 11th of February and Tuesday the 12th of February. If students have their own headphones they may use them but the school will be able to provide headphones if Students do not have their own. If parents have any questions they can contact Sheridan Merchant or Di Smith.

COMMUNITY NEWS

Nambucca Valley Scouts Wants YOU!

Build resilience
Develop CONFIDENCE
Inspire LEADERSHIP

Be prepared for adventure!

For more than 100 years, Scouts have offered a program to young people which helps develop them through teamwork and using their own initiative.

Scouts believe encouraging young people to "be prepared" is more important today than ever!

Do you want some Fun and adventure, team involvement, helping other people, being a leader, making friends, caring for the environment, and being a positive influence in your community.

Come along to Scouts and check us out!

Scouts Tuesday nights Cubs Thursday nights

Ask us about our 6 week Trial Today!

Have you ever wanted to try Physie, well now you can!

We offer the first lesson Free so come along and have a look. Based on basic ballet and modern dance, Physie is great for physical fitness, posture and co ordination. Physie is also about learning to work in a team, building self esteem and sportsmanship.

We have classes for Pre School girls through to Mature Ladies. Classes are also extremely affordable.

EP Physie is also registered to receive the Active Kids and Creative Kids vouchers. This means you will receive a \$200 deduction from your registration and club fees.

Classes will resume Wednesday 6th February at the Nambucca Arts and Community Centre.

Contact us via Facebook at Nambucca Valley Physie or call Joanne—0422 647 214
